MEMORANDUM

To: Teacher and ESP Association Representatives
High School Counselors

From: Patricia A. Scarborough, M-SCEA President

Date: January 27, 2017

Subj: **M-SCEA Scholarship Program – Applications due by April 6, 2017**

Every year the Memphis-Shelby County Education Association awards scholarships to dependents of M-SCEA members. **To qualify for this scholarship, the student must:**

- ◆ **Be a dependent of a member of the Memphis-Shelby County Education Association**
- ◆ **Attend a public college or university in Tennessee**
- ◆ **Plan to pursue a career in education**

Please see the attached application form which can be printed as necessary. We are distributing the application to Association Representatives so they can help us inform our members about this great opportunity. We encourage ARs to make announcements at faculty meetings about the availability of M-SCEA scholarships and post announcements on M-SCEA bulletin boards in the buildings. Please also contact ESP members in your building concerning this benefit that comes with membership in M-SCEA.

High School Counselors can expect to receive this information from **Mr. Louie Gettings**, Counselor Manager High Schools. We ask that high school counselors share this information with graduating seniors and provide the application to students who have an interest and meet the criteria.

The deadline for returning applications to M-SCEA is Thursday, **April 6, 2017, by 5:00 p.m.** Each year we have members who call us after the deadline to say they did not know about this opportunity. Let's get information to our members regarding the M-SCEA Scholarship Program and the application deadline (April 6). **It's a valuable benefit for our members!**

If you have questions or need copies of the application form, please contact Debra Slonim, M-SCEA Scholarship Program Coordinator, (901) 454-0966 ext. 30, DebraSlonim@mscea.org.
