The University of Memphis, in partnership with Shelby County Schools, cordially invites you and your parent(s)/guardian(s) to attend a special **Scholarship Information Session on Thursday, December 13, at 6:00 PM** in the University Center (Bluff Room, 304).

During this session, representatives from the College of Education and Shelby County Schools will discuss the special program track designed to prepare a future generation of educators to address issues of equity and social justice in the schools and communities in which they serve.

Current high school seniors are eligible to become part of the very first cohort of River City Teacher Scholars in August 2019, and high school juniors can apply to attend the River City Summer Bridge Program in July.

In addition, specific information will be shared regarding Scholarship Opportunities that are available for students who become River City Teacher Scholars at the University of Memphis.

Parking tickets will be provided for those who park in the Zach Curlin Garage and light refreshments will be made available.
